

At their December 11, 2006, meeting the Board of Education accepted the County of San Diego's offer to extend the lease of the current Homestead/Frontier site for an additional year. The lease has now been extended through July 2008. This will provide time for the district, County of San Diego, and City of Santee to work together in finding a suitable permanent location for this school.

The district has now dropped plans to relocate the school to the site adjacent to West Hills High school.
