Facilities Department

**ANNOUNCEMENT OF PRE-QUALIFICATION PROCESURES AND OPEN DATES FOR
ANNUAL PRE-QUALIFICATION
Projects of \$10 Million or More**

Notice is hereby given that the Grossmont Union High School District ("District") has determined that all contractors undertaking projects valued at \$10 Million or more requiring a license classification of B – General Contractor must be pre-qualified prior to submitting bids. Contractors will be pre-qualified for either one or both of the following categories:

- (A) – Construction of Performing Arts Centers
- (B) – General Construction

Pre-qualification application packages are available on the District's website at <http://portal.guhsd.net/index.php/rfp>. Contractors may submit four times each year: (1) from January 1 through January 10; (2) from April 1 through April 10; (3) from July 1 through July 10; and (4) from October 1 through October 10 with a special submittal date of **May 3 through May 20, 2011**. The District must receive applications before 4:00 p.m. on the last date of the time periods defined above or at least twenty-one (21) days prior to the scheduled bid opening on any advertised project in order for the candidate to qualify for that project. Pre-qualification approval will remain valid for one (1) calendar year from the date of notice of qualification except as noted in the pre-qualification documents.

It is mandatory that all Licensed General Contractors who intend to submit bids fully complete the pre-qualification questionnaire, provide all materials requested herein, and be approved by the District to be on the final Bidders list. No bid will be accepted from a Contractor that has failed to comply with these requirements. If two or more business entities submit a bid on a project as a Joint Venture, or expect to submit a bid as part of a Joint Venture, each entity within the Joint Venture must be separately qualified to bid.

Answers to questions contained in the attached questionnaire, information about current bonding capacity on an aggregate and per project limit, notarized statement from surety, and the most recent reviewed or audited financial statements, with accompanying notes and supplemental information, are required. The District will use these documents as the basis for rating Contractors in respect to the size and scope of contracts upon which each Contractor is qualified to bid. The District reserves the right to check other sources available. The District's decision will be based on objective evaluation criteria.

Pre-qualification approval will remain valid for one (1) calendar year from the date of notice of qualification, except that the District reserves the right during that calendar year to adjust, increase, limit, suspend or rescind the pre-qualification ratings based on subsequently learned information and after giving notice of the proposed action to the Contractor and an opportunity for a hearing consistent with the hearing procedures described below for appealing a pre-qualification determination.

While it is the intent of the pre-qualification questionnaire and documents required therewith to assist the District in determining bidder responsibility prior to the submission of bids and to aid the District in selecting the lowest responsible bidder, neither the fact of pre-qualification, nor any pre-qualification rating, will preclude the District from a post-bid consideration and determination on a specific project of whether a bidder has the quality, fitness, capacity and experience to satisfactorily perform the proposed work, and has demonstrated the requisite trustworthiness. Contractors are encouraged to submit pre-qualification packages as soon as

possible, so that they may be notified of pre-qualification status well in advance of upcoming projects.

The pre-qualification packages should be sealed, marked "CONFIDENTIAL", and mailed to the attention of: **Pre-qualification Manager, Grossmont Unified School District Bond Trailer, 1100 Murray Drive, El Cajon , CA 92020**, or personally delivered to the Bond Trailer at 9600 ½ Mildred Street, La Mesa, CA 91944.

The pre-qualification packages (questionnaire answers and financial statements) submitted by Contractors are not public records and are not open to public inspection. All information provided will be kept confidential to the extent permitted by law, although the contents may be disclosed to third parties for the purpose of verification, investigation of substantial allegations, and in the process of an appeal hearing. State law requires that the names of contractors applying for pre-qualification status shall be public records subject to disclosure, and the first page of the questionnaire will be used for that purpose.

Each questionnaire must be signed under penalty of perjury in the manner designated at the end of the form, by an individual who has the legal authority to bind the Contractor on whose behalf that person is signing. If any information provided by a Contractor becomes inaccurate, the Contractor must immediately notify the District and provide updated accurate information in writing, under penalty of perjury.

The District reserves the right to waive minor irregularities and omissions in the information contained in the pre-qualification application submitted, to make all final determinations, and to determine at any time that the pre-qualification procedures will not be applied to a future public works project.

A contractor who has submitted a completed application form, and who receives a rating of "not qualified" from the District may appeal that determination. There is no appeal from a finding that a contractor is not pre-qualified because of a late applications or a failure to submit required information, but re-application during one of the designated time periods is permitted. A contractor may appeal the District's decision with respect to its request for pre-qualification, and request a hearing, by giving notice to the District no later than ten business days after receipt of notice of its qualification status. Notice shall be sent to the Address listed above. Unless a Contractor files a timely appeal, the Contractor waives any and all rights to challenge the qualification decision of the District, whether by administrative process, judicial process or any other legal process or proceeding.

If the Contractor gives the required notice of appeal and requests a hearing, the hearing shall be conducted so that it is concluded no later than ten business days after the District's receipt of its Notice of Appeal. The hearing so provided shall be an informal process conducted by a panel to which the District has delegated responsibility to hear such appeals (the "Appeals Panel"). At or prior to the hearing, the Contractor will be advised of the basis for the District's pre-qualification determination. The Contractor will be given the opportunity to present information and present reasons in opposition to the pre-qualification determination. At the conclusion of the hearing or no later than one day after completion of the hearing, the Appeals Panel will render its decision. The date for submission and opening of bids for a specific project will not be delayed or postponed to allow for completion of an appeal process.

Note: A contractor may be found not pre-qualified for bidding on a specific public works contract to be let by the District, or on all contracts to be let by the District until the contractor meets the District's requirements. In addition, a contractor may be found not pre-qualified for either:

- (1) Omission of requested information or
- (2) Falsification of information
