Parents of students in the GUHSD are invited to attend one of six Career Planning Workshops to learn "hands-on" about our district's new online software, *Career Cruising*.

This new tool is designed to assist students with their career plan, a GUHSD graduation requirement, and help them discover options for life after high school.

If you are unable to attend your site-specific workshop, you may choose a session on a different date. Students are welcome to attend with their parents.
