Certification for CPR/First Aid remains in effect for two years. This in-service opportunity is for any coach (school or walk-on), cheer adviser, and/or P.E. teacher.

The GUHSD will assume the expense for participants who sign up and attend the training. Individuals who sign up for the program must write a check to the Grossmont Union High School District for **\$55.00** to register for this training. **All checks will be returned or destroyed for individuals who attend and complete the training. The district will deposit the check for individuals who sign up but do not complete the training. This procedure is needed to ensure that fixed workshop costs are covered with the CPR/First Aid provider.**

It is important that you contact your school site Administrative Assistant to the Athletic VP as soon as possible to reserve a place in the class. The school site will then register participants from their site with the Extended Curricular Programs office once deposit checks have been received.

All participants need to be aware of the following:

- your name will be added to the sign-up list at the Extended Curricular Programs office only after you write a check for **\$55.00** and give it to the Administrative Assistant to the Athletic VP.
- you should **wear long pants to prevent knee abrasions or bring knee pads**
- you should bring an ink pen.

BREAKFAST AND LUNCH WILL BE ON YOUR OWN
